Annual Ministry Report Highlights Summary 2016

“Reaching The Little Lambs before they become Lost Sheep.”

God, RFM and you make a great team for reaching the world for Christ.

The word of God tells us to go into the highways and byways and compel them to come in, that is our mission. Compelling all ages to come into the family of God.

Our ministry opens the door for people to see how they can reach their community in a new way. David and Zack from Love Joy Church in NY, an inner-city church, had these things to say about the outreach we did there. **David** “It was an amazing experience! It changed my mind about clowns.” **Zack** “A new experience... going door to door was great! Loved seeing the kids get saved. It was awesome!” (Video on Facebook)

Training is a part of our mission to "Reach the little lambs before they become lost sheep". **Kevin M. in Virginia writes:**

“I went to your seminar on how to reach children with the Gospel message using illusions, puppetry, ballooning, clowning, and face painting. These techniques keep the children glued to the message of God. No more discipline problems.”

RFM did several family crusade events in small towns. [Pastor Leo Bracken of NC had this to say.](#) "It has been tremendous! It will reach your children and touch moms and dads also." The [Under the Big Top Event](#) in Sanford, NC was a success. Irvin went into 4 christian schools and 8000 flyers were sent home with public school students. About 600 adults and children attended with 112 people accepting Christ.

Kevin had two trips to Jamaica this year with over 11,000 accepted Jesus. He goes into the public schools and can have up to 2,000 students in attendance per school. This year he gave 75 Gospel presentations in new places. These are great opportunities! Pray the Lord will move on the children to bring revival to the country.
