Dear brothers and sisters in Christ. Greetings in the name of the Lord.

Jesus is coming back.

It is imperative that we do even more to reach children, teens and their parents with the Gospel. Every single minute a person is going into eternity. In Matthew Jesus called us to make disciples. It is time for Christians to keep Jesus in the front of our minds. We must push away our fears, put on the armor of God and reach the lost.

Hoover Road Apartment Outreach. Kevin and Elaine do what ever it takes to hold children's attention to lead them to Jesus. They have been teaching on Noah, his Ark and the animals. Kevin as Noah and Elaine sometimes comes as Naamah, Noah's wife. They measured out the length of the ark to help the kids understand the size of it. They also learned that the animals on the ark were created by God, not by a slow process. One example is the Luna moth who only flies at night. It has a ruffled tail that spins in the wind causing the bat's (the moth's only predator) sonar to scatter. Animals have a special design so there must be a designer, that is God. They also stress to them that they are not mistakes. God made them special too.

Easter

Ministry is **extra busy** this month as we celebrate Jesus's resurrection. Please pray for many to give their lives to Christ this month.

Jamaica Missions Trip

Kevin will be doing ministry in Jamaica the first 2 weeks in June, 2025. The Assemblies of God in Jamaica wants him to do more training and evangelism. Dr Clarke ask him to help with a team from Florida. When Kevin was there in May, 2024 they wanted more training in clowning for Jesus. The trip costs about **\$2,000 per person** depending on cost of airfare. If you or your people would like to come on a missions trip to Jamaica please let me know. Those who come will help me go to schools and church outreaches to give the Gospel in creative ways. Let me know the talents your people may have like singing, drama, puppetry, clowning, and preaching.
